About the position

1

What we offer

- Full-time analyst position starting from October-November 2017
- Exposure in interesting and challenging assignments
- Your key tasks will include preparation of project and pitch material, financial analysis and target investor identification
- You will be given a great degree of responsibility and client access. We will also put a lot of effort to your orientation at the beginning

2

What we expect

- A university degree in finance, accounting, industrial engineering & management or other relevant field (also candidates finishing their studies are considered)
- Excellent command of Finnish and English with fluency in other languages (in particular Swedish) being considered as an advantage
- Genuine interest towards investment banking and business in general
- Analytical and team-driven mindset as well as willingness to develop

3

How to apply

- Please send a cover letter and CV by 1 October 2017 to Associate Markku Tervo at markku.tervo@initia.fi
- Markku Tervo can be contacted by phone (+358 40 513 7988) or e-mail should you have any questions regarding the opportunity
