About the position

1

What we offer

- **Internship** (approx. 3+ days per week) **and / or full-time analyst** (entry level). Start in early 2018
- Exposure in interesting and challenging assignments
- Your key tasks will include preparation of project and pitch material, financial analysis and target investor identification
- You will be given a great degree of responsibility and client access. We will also put a lot of effort to your orientation at the beginning

2

What we expect

- Over ca. 150 ECTS credits towards a university degree in finance, accounting, industrial engineering & management or other relevant field (full-time analyst candidates are expected to be graduated or finishing their studies)
- Excellent command of Finnish and English
- Genuine interest towards investment banking and business in general
- Analytical and team-driven mindset as well as willingness to develop

3

How to apply

- Please send a cover letter and CV by 10 December 2017 to Associate Markku Tervo at markku.tervo@initia.fi. *However, note that we are interviewing candidates on a rolling basis*
- Markku Tervo can be contacted by phone (+358 40 513 7988) or e-mail should you have any questions regarding the opportunity
